# CHPL Knit and Stitch Club

Thursday, July 22  
10 a.m. ~ 11:30 a.m.

*Half Conference Center, Lower Level*

**KNITTING NOTE:** CHPL's Knitting Group is growing fast! Starting on Jan. 28 the Knit and Stitch Club will meet in the Half Conference Center on the Library's Lower Level.

Do you have a passion for knitting, stitching or any other type of needlework? If you love to knit, then join the CHPL Knit & Stitch Club once a month, and meet others who share your enthusiasm for needlework.

Whether you and your knitting friends need a creative and fun environment to meet, or you're looking for a lively place to kick back and stitch, bring your needles, yarns or threads, patterns and supplies and let's get inspired!

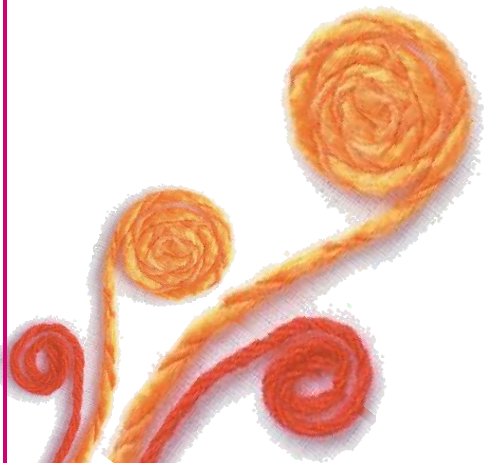

Beginners and experienced needle crafters are welcome. Learn a new technique or share your needlework or knitting talent, skill and creativity with someone new to the craft.

## Upcoming Meeting Dates:

Thursday, Aug. 26
